

2019 Gentleman Farmer Napa Valley Rosé

The 2019 Gentleman Farmer Napa Valley Rosé is a beautiful pink hue of fair intensity, with a color of delicate cherry blossoms.

Flavor Profile

The wine begins with aromas of red and black currants, wild strawberries and ruby red grapefruit. The aromas continue on the palate with hazelnut, marzipan, and rose petals.

The wine is dry with bright acidity. Medium bodied, the wine has a fresh and lingering finish. The 2019 Rosé is a fine companion to the table.

Source

The Cabernet Sauvignon and Merlot are sourced from the Oak Knoll District of Napa Valley. Cooler than most Napa Valley regions due to its proximity to the San Pablo Bay, the soil on the valley floor has been shaped over millions of years by deposits from the nearby Napa River. With clay over a rock base layer, red grapes sourced from these soils tend to be less tannic, perfect for our rosé.

Vintage: 2019

Appellation: Napa Valley
