

2020 Gentleman Farmer Napa Valley Rosé

Character

The 2020 Gentleman Farmer Napa Valley Rosé shows in the glass inviting colors of pale champagne and pastel pink.

Flavor Profile

This rosé wine delights with initial aromas of white strawberries, ruby red grapefruit, red cherries, and white peach. The flavors continue on the palate with watermelon, white tea, brioche, crushed gravel, and celery leaves.

The wine is dry with refreshing, bright acidity and medium in body. There is a slight and pleasant bitterness of grapefruit pith that lingers on the finish.

The variety of aromas and the extended finish make this a rosé that will pair well at the table and to be enjoyed with good food.
