

Gentleman Farmer Wines' 2021 Release Schedule

February 2020 Napa Valley Rosé

This is our popinjay bachelor of the 2019 vintage year. This dandy is a dashing peony pink, a peacock display of red and black currents, wild strawberries, and marzipan.

April/May 2019 Napa Valley Chardonnay

Youthful and graceful, this wine is a chameleon; both weekend summer sailing and garden party with gloves and a pillbox hat. This wine is direct with its purity of fruit, having no intention to butter anyone up. A wellspring of lemon zest, sweet orange blossoms, and lychee.

September/October 2019 Napa Valley Cabernet Sauvignon

This rich ruby holds you in a magical moment of easing into an espresso colored, deeply creased, leather club chair, the smell of aromatic pipe tobacco, and the warm filament of an incandescent bulb; your eyes will soften.

December 2019 Napa Valley Red Wine

A blend of Bordeaux varietals. A jazz variation on a beat poem about hygge. Rich notes of holiday spice and black cherries are the clear vibe. This guy shows up to the soirée in a midnight beret and a velvet cape.
